Sir:

Further to our earlier submissions of an Information Disclosure Statement filed on December 20, 2002, and January 30, 2003, we are hereby submitting a Third Information Disclosure Statement for the Examiner's attention.

Pursuant to the duty of disclosure under 37 CFR §§ 1.56 and 1.97-1.99, the U.S. patent listed on the attached Form PTO-1449 is being brought to the attention of the Examiner in charge of the above-identified application. A copy of this patent was cited in a European Search Report mailed not more than three months ago in a counterpart European patent application. A copy of the

European Search Report is enclosed. This Search Report listed several other patents which have been previously submitted to the U.S. Patent and Trademark Office.

A statement in accordance with 37 CFR §1.97(e) is included herein. Accordingly, it is respectfully submitted that no fee is required by the filing of this Information Disclosure Statement. In the event that additional fees are required for consideration of this Information Disclosure Statement, such fees are hereby authorized to be charged to our Deposit Account No. 06-1358.

In accordance with 37 CFR § 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, or as an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

Applicant does not waive any rights to appropriate action to establish patentability over the listed document should it be applied as reference against the claims of the present application.

STATEMENT UNDER 37 CFR §1.97(e)

It is hereby certified that the information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

RELEVANCE OF THE DOCUMENTS

This patent was considered and cited in the above-mentioned European Search Report. The other patents listed therein have been previously submitted to the U.S. Patent and Trademark Office as on December 20, 2002 and January 30, 2003 respectively.

CONCLUSION

The Examiner is respectfully requested to initial the space adjacent this document entry on the Form PTO-1449, and to return a copy of the initialed Form PTO-1449 to confirm that this patent has been considered and has been officially made of record in this application.

If the Examiner has any questions or wishes to discuss this application, the Examiner is invited to telephone the undersigned representative at the number set forth below.

Respectfully submitted,
